OVERVIEW:
On October 4, 2016, the Centers for Medicare and Medicaid Services finalized updated requirements of participation for long term care facilities. In addition, CMS announced plans to implement a revised survey process effective November 2017, to coincide with the implementation of the second phase of the RoPs. The New Jersey Department of Health will teach participants how the revised survey process will be conducted and focus on key aspects of the new Interpretive Guidelines and the F-Tag structure.

OBJECTIVES:
- To understand the survey process steps effective November 2017
- To identify key compliance areas under the new interpretive guidelines, and
- To learn how to prepare for the survey process and interpretive guideline changes.

TARGET AUDIENCE:
Long term care facility, administrators, medical directors, department managers, supervisors, unit managers, social workers, compliance officers, business office managers, rehabilitation therapists and quality improvement managers.
