TRENDS IN NURSING WORKFORCE: Strategies for Optimal Care

May 24, 2018

12 PM to 3:30 PM

***NJHA Conference and Event Center
760 Alexander Road, Princeton, NJ***

Please join an in-depth discussion on modern nursing workforce trends to promote high-value care for healthcare consumers. National experts, nursing leaders, policymakers and front-line RNs will join this important dialogue on healthy work environments, staff empowerment, shared governance and innovations in workforce.

OUR KEYNOTE SPEAKER:

Peter Buerhaus, PhD, RN, FAAN

Dr. Buerhaus is nationally recognized for his research, especially in reshaping public policy regarding the nursing shortage. He is director of the Center for Interdisciplinary Health Workforce Studies in the Institute for Medicine and Public Health at Vanderbilt University Medical Center and previously served as the senior associate dean for research at Vanderbilt University School of Nursing. He also served as assistant professor of health policy and management at Harvard School of Public Health where he developed the Harvard Nursing Research Institute and its post-doctoral program in nursing health services research.

FEATURED SPEAKER:

Robert G. Hess, Jr., PhD, RN, FAAN

Executive Vice President, Education Content and Credentialing

Dr. Robert Hess, is the Founder & CEO of the Forum for Shared Governance and webmaster for www.sharedgovernance.org. Dr. Hess is also the author of the only instruments for measuring governance in healthcare organizations, used globally in 300 healthcare systems in 12 languages, is the coauthor of the only current book on implementing shared governance and the world's leading researcher on shared governance.
