Seminar | EDU 1876

This fast-paced program offers an overview of the changes and revisions that frequently occur within the Joint Commission accreditation, as well as those requirements that will impact organizations in the near future. Attendees will stay ahead of the curve by reviewing both new and revised standards, the latest compliance issues, changes to the onsite survey and the National Patient Safety Goals.

Day one features Joint Commission Resources Inc. providing an in-depth overview on 2019 Joint Commission Updates, while day two will focus on the Environment of Care/Life Safety and Emergency Management Updates.

TARGET AUDIENCE:

Nursing directors, managers, quality improvement directors, risk managers, safety directors, survey coordinators, healthcare professionals with basic knowledge of the standards, individuals responsible for coordinating or implementing TJC hospital accreditation and standard compliance and those who have been through a survey and frequently work with accreditation issues.
