TUESDAY EVENING OPTIONAL ACTIVITY – THE SECOND CITY

We are planning to see a show at The Second City on Tuesday evening. Here's an excerpt from their website regarding the show: "The Second City's latest revue *The Winner... of Our Discontent* asks if it's broken, should we fix it? Chicago's premier sketch comedy troupe finds big laughs in the country's collective disappointment and fears. If you're scared for the future of America, guess what? So are we! From pot smoking moms to Russians targeting Altoona, Iowa to a few suburban dads who are sure they have it all figured out, this show sifts through all of the divisiveness to find a winner. (Spoiler: It's the Cubs and that's it.)"

The cost is **\$29** per person (not included in A2IRNET registration fee). We are purchasing tickets in advance to ensure all who are interested get a seat, so if you are interested in joining us at the show, please indicate this in The Second City section of the registration form. Who knows, maybe we'll see the next big name headed for Saturday Night Live!
