OPERATIONAL EFFICIENCIES AND REVENUE ENHANCEMENT SOLUTIONS

AIR PRODUCTS – Leading medical gases and oxygen supplier that boasts a reliability record of 99.97 % for on-time deliveries.

^ **CHAPTER 160** – A desktop application to complete the State's Chapter 160 forms.

COMMERCEHEALTHCARE® – A single end-to-end solution that automates invoice receipt, workflow, approvals and payments with revenue opportunities for your hospitals.

Jzanus – Is a Revenue Cycle Management (RCM) solution provider. Their SMARTWorks solution offers a fully integrated platform that combines insurance eligibility, claims status, denials management and a workflow tool in one platform. Incorporating data from the host accounting system, bill scrubber, information from 276/277, 835/837 and insurance carrier websites, they transform the data into actionable tasks as it moves accounts through the revenue cycle. The software, with its extensive use of Robotic Process Automation (RPA) and imbedded rules engine automatically eliminates 40% to 50% of the accounts needed to be worked manually by a staff member.

^ **HRET DATA REPORTER QUALITY MODULE (ACUTE FACILITIES)** – Hospital performance and quality data report, compiled from the Centers for Medicare and Medicaid Services' Hospital Compare Web site.

VIZIENT – As the nation's largest member-driven health care performance improvement company, Vizient provides solutions and services that empower health care providers to deliver high-value care by aligning cost, quality and market performance. With analytics, advisory services and a robust sourcing portfolio, we help members improve patient outcomes and lower costs.

EDUCATION SOLUTIONS

^ **INTERPRETER SERVICES** – NJHA/HRET customized interpreter training sessions for groups of healthcare facilities or individual facilities with 30 or more eligible employees.

^ **GOVERNING BOARD EDUCATION** – NJHA/HRET-developed 7 module online course on healthcare governance for hospital or health system trustees.
