2015 A²IRNet Annual Conference

The A2IRNet 2015 Conference, will take place April 19-22, 2015 in Atlantic City, New Jersey the historical seaside resort where entertainment, shopping, gaming, ocean views and boardwalk converge. Since the very first A2IRnet conference, the spirit of state hospital association (SHA) technical and data collaboration has never been more important. To meet the education needs of SHA, this year we have a broad range of topics that include health information technology, HIPAA, ICD-10, healthcare data, quality performance reporting, and the ever-changing federal legislative and regulatory requirements. Following A2IRNet tradition, this year we have speakers and attendees that include some of the strongest healthcare technical and data leaders in the nation. A2IRNet is without question one of the best national forums for healthcare data and technical collaboration and is only available to SHA employees.

CAESARS HOTEL & CASINO ATLANTIC CITY

Caesars Hotel & Casino is located in central Atlantic City right on the boardwalk. The Atlantic City Expressway that connects Philadelphia ends a traffic light or two from the Caesars parking lot (self-parking on left). Valet parking is available one block closer to the boardwalk (on left at Caesars main entrance).

AIRPORTS

There are three airport options when traveling to Atlantic City: The Atlantic City Airport, the Philadelphia International Airport and Newark Liberty International (Newark, NJ). The Atlantic City Airport is small, but does run daily flights to and from various parts of the country. Philadelphia is about an hour and a half away and Newark is about 2 hours and 15 minutes away. Taxis to and from Philadelphia and Newark might be cost prohibitive.

Tuesday Afternoon Activities

GOLF OUTING

Join us at the Seaview Resort Golf Course and enjoy a friendly afternoon of competition. One of south Jersey's most historic (1914) golf courses, Seaview offers two distinctly different courses; one beside Brigantine Bay and the other nestled in the New Jersey Pine Barrens. In 1986, and as recently as 2010, Seaview hosted the LPGA Classic. Over the years, this course has hosted a myriad of celebrities from Bing Crosby and Princess Grace Kelly to President Dwight Eisenhower. Seaview is a 15 minute drive from Caesars.
