"Class enhanced my knowledge of ICD-10"

PROGRAM DESCRIPTION

Four days of intense hands-on ICD-10-CM/PCS coding designed to put your ICD-10 coding skills to the test. Are you ready for the challenge? The compliance date for implementation of ICD-10-CM/PCS is October 1, 2015. This program will give you the extra training, guidance, and confidence you need to be ready.

PROGRAM OBJECTIVES

Participants will:

- Gain an understanding of the ICD-10-CM/PCS coding guidelines and how to choose the appropriate codes based on the documentation

- Know when to query when the documentation is vague

- Gain the confidence needed to code complicated medical records utilizing the ICD-10 code sets and the ability to keep your productivity up to standards

"I am 100% completely satisfied."

WHO SHOULD ATTEND

Coding Professionals / Health Information Management Professionals
