

Communication Tools for End-of-Life Planning

Complimentary Webinar

May 28, 2015
11 a.m. - 12 p.m.

Presenting Faculty:

Jeanne Kerwin, D.MH, C.T.

Co-Chair Ethics Committee
Coordinator, Palliative Care Team
Overlook Medical Center

OVERVIEW:

Conversations about the end of life can be uncomfortable and difficult. Still, discussing end-of-life care is important. Depending on the circumstances, you might be able to help your patients and families make important end-of-life decisions — such as whether to remain at home, move into a nursing home or other facility, or seek hospice care. This Webinar will offer useful communication tools for end-of-life planning.

OBJECTIVES:

- Describe the various tools we have for advance care planning and differentiate among the mechanisms for communicating wishes
- Identify different tools for differing target populations
- Describe the NJ POLST paradigm and how patient wishes are determined and converted into medical orders
- Interpret POLST forms during emergencies and other relevant circumstances
- Identify one safe and effective communication technique.

TARGET AUDIENCE:

Physicians

CONTINUING EDUCATION CREDITS:

HRET is accredited by the Medical Society of New Jersey to provide continuing medical education for physicians. HRET designates this live activity for **1.0 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
