			ACHE Panel Only: \$75/person

The NJHA Institute for Quality and Patient Safety is marking its 13<sup>th</sup> year facilitating collaborative efforts to improve quality of care and patient safety throughout New Jersey. As healthcare leaders continue their efforts in the face of competing priorities, this event is an opportunity for C-suite leaders, hospital trustees, clinicians and patient safety professionals to hear from some of the industry's leading experts. The day's agenda will help to further engage leaders in the redesign of the state's healthcare delivery system, acting as a backdrop for strategic initiatives at the provider level.

**OBJECTIVES:**

1. Describes The Leapfrog Group's blueprint for transparency in improving safety, quality and efficiency at the regional and national levels through the voluntary measuring, monitoring and reporting of hospital performance data
2. Discusses the National Quality Forum's strategic imperative designed to accelerate the industry's work to improve health and healthcare through data and measurement
3. Identifies the role that hospitals play in supporting community health initiatives and contributing to developing a Culture of Health in the communities they serve
4. Defines how a leader's ethics sets the direction of an organization in establishing organizational transparency for financial and clinical outcomes.

**TARGET AUDIENCE:**

Senior leadership, hospital trustees, physicians, nurses and quality improvement specialists.
