

## **The Home Health Face-to-Face Encounter Requirement – What Every Nursing Home Needs to Know**

**October 20, 2015**

**2 – 3 p.m.**

### **OVERVIEW:**

The Centers for Medicare and Medicaid Services (CMS) in January made changes to the home health face-to-face encounter requirement which have implications for nursing homes, especially those with a significant sub-acute population. This Webinar will review the requirement and discuss the different ways that nursing homes are affected by and participate in the fulfillment of this requirement for home health agencies.

### **OBJECTIVES:**

1. Review the home health face-to-face encounter requirement
2. Recognize 2015 changes made by CMS
3. Understand the documentation and home health eligibility requirements
4. Discuss the role of the nursing home's physicians.

### **TARGET AUDIENCE:**

Nursing home executives, medical directors, nurses, care managers, social workers and others involved in the discharge planning process.

**FACULTY:**
