

## **Energy Resilience Bank Funding for Hospitals**

**FREE  
WEBINAR**

**December 9, 2015**

**2 – 3 p.m.**

### **OVERVIEW:**

Staff from the New Jersey Energy Resilience Bank (ERB) Program will provide an overview of the new ERB Program Funding for Hospitals. The ERB program was established as part of the state's effort to minimize the potential impacts of future major power outages and increase energy resiliency. The ERB aims to strengthen the resilience of New Jersey by offering financially feasible distributive energy for critical facilities affected by disaster. The bank is capitalized with \$200 million of Community Development Block Grant – Disaster Recovery funds from the U.S. Department of Housing and Urban Development.

### **OBJECTIVES:**

- Detail the new Energy Resilience Bank program for hospitals and their related healthcare facilities
- Review program eligibility requirements (applicants, technology/energy systems, “tie-to-the-storm” and other programmatic prerequisites)
- Discuss flexible financing and terms
- Review the ERB application process

### **TARGET AUDIENCE:**

Chief executive officers, chief financial officers, chief operating officers, emergency preparedness and facilities staff.
