---

This one-day, fast-paced program offers a quick overview of the changes and revisions that frequently occur within The Joint Commission (TJC) accreditation, as well as those requirements that will impact organizations in the near future. Attendees will stay ahead of the curve by reviewing both new and revised standards, the latest compliance issues, changes to the onsite survey and the National Patient Safety Goals.

## OBJECTIVES:

1. Translate the changes related to TJC's standards and survey process for 2017 into your organization's ongoing survey readiness activities.
2. Applies appropriately the relationship between TJC and the Centers for Medicare and Medicaid Services as to distinguish between accreditation and deemed status in your healthcare setting(s).
3. Incorporates the use of tracers to analyze your organization's systems and processes.
4. Implements strategies for complying with new and challenging standards in your practice setting(s).

## TARGET AUDIENCE:

Nursing directors, managers, quality improvement directors, risk managers, safety directors, survey coordinators, healthcare professionals with basic knowledge of the standards, individuals responsible for coordinating or implementing TJC hospital accreditation and standard compliance and those who have been through a survey and frequently work with accreditation issues.

## **CONTINUING EDUCATION CREDITS:**
