---

This program is offered to board of trustee members to fulfill their state-mandated education requirements. The session provides a comprehensive understanding of the role and responsibilities of a trustee and is a primer for understanding the financial statements for healthcare institutions.

Designed to introduce members of a hospital governing body to the principles of hospital governance, this program will provide an understanding of the roles and responsibilities of serving as a hospital trustee. The seminar is focused on the ethical and fiduciary responsibilities of a trustee, the governing body's role in promoting healthcare quality, hospital organization and governance, hospital financial management and legal/regulatory compliance issues. This seven-hour program is intended to fulfill the state-mandated hospital governing body training, but is useful for anyone serving on a healthcare board of trustees.

## **OBJECTIVES:**

1. Discuss state-mandated topics for trustee education program
2. Equip new governing board members with useful information to discharge their board duties.

## **TARGET AUDIENCE:**

Newly-appointed hospital board of trustee and/or director members
