

# **Application of NFPA 99 in Health Care Facilities & Managing Life Safety: The 2012 Edition**

June 19 – 20, 2017

NJHA Conference and Event Center, 760 Alexander Rd., Princeton, N.J. 08540

**Registration** | 8:00 a.m.

**Fee** | NJHA/LANJ member: \$375 **Per Day**

**Program** | 8:30 a.m. – 4:15 p.m.

Non-member: \$400 **Per Day**

**Seminar** | EDU 1769

---

## **OVERVIEW:**

In July 2016, the 2012 Edition of the NFPA 99 took effect and surveyors have been inspecting facilities using the new code since Nov. 2016. NFPA 99: Health Care Facilities Code provides minimum health care facility requirements covering a broad spectrum of applications. The 2012 edition includes the most extensive changes since the inception of NFPA 99, including the change from a standard to a code and the shift to a risk-based approach. Day one of this program examines each topic area covered by the 2012 edition of NFPA 99. Where pertinent, other codes and standards will be examined to provide a more complete understanding of NFPA 99 and how it is applied to health care facilities. Day two of the program will focus on providing participants with the information and resources needed to manage a health care facility's life safety program.

## **OBJECTIVES:**

- Identify and implement prescriptive inspection, testing and maintenance requirements.
- Determine which aspects of the 2012 edition pertain to new facilities and which pertain to existing facilities.
- Assess a health care facility's compliance with NFPA requirements.
- Learn the Life Safety Code and the physical environment requirements of the conditions of participation.
- Become familiar with reference tools and checklists to manage a life safety program.
- Learn about accreditation organization standards and how they relate to the rules
- Apply the requirements of the 2012 edition to the design of health care facilities.

## **TARGET AUDIENCE:**

Health care facility managers and directors, environmental and safety managers.

## **CONTINUING EDUCATION CREDITS:**

This continuing education program is sponsored/conducted by the Health Research and Educational Trust and is in compliance with N.J.A.C. 8:34-7.3 to provide licensed nursing home administrator (LNHA) and certified assisted living administrator (CALA) continuing education credits accepted by the Nursing Home Administrators Licensing Board. This education activity may only be used for continuing education credit and not to meet academic college credits.

This education activity has been approved for **7.0** (*per day*) LNHA/CALA credits.

If you attending both days, you will receive **1.5** ASHE/AHA CEUs.

# **Application of NFPA 99 in Health Care Facilities & Managing Life Safety: The 2012 Edition**

**June 19, 2017**

## **AGENDA**

8:00 a.m.     *Registration and Continental Breakfast*

8:30 a.m.     **Welcome and Introduction**

***Theresa Edelstein, MPH, LNHA***

Vice President, Post-Acute Care Policy

*New Jersey Hospital Association*

8:45 a.m.     **Applying NFPA 99 in Health Care Facility Management & Operations**

- Navigating and Using NFPA 99 - Fundamentals
- System Risk Categories
- Gas and Vacuum Systems
- Electrical Systems
- Information Technology and Communication Systems
- Plumbing Systems
- Heating, Ventilation & Air Conditioning (HVAC)
- Electrical Equipment
- Gas Equipment
- Emergency Management
- Security Management
- Hyperbaric Facilities
- Features of Fire Protection

***Dave Dagenais, CHSP, CHFM, FASHE***

Director of Plant Operations and Safety Officer

*Wentworth-Douglas Hospital*

12 p.m.     *Networking Luncheon*

12:45 p.m.   **Program Continues**

4:15 p.m.     *Program Evaluation and Adjournment*

# **Application of NFPA 99 in Health Care Facilities & Managing Life Safety: The 2012 Edition**

**June 20, 2017**
