OVERVIEW:

This program will build upon the June webinar which the Department of Health and the Division of Consumer Affairs discussed the regulations governing the Health Care Professional Responsibility and Reporting Enhancement Act (HCPRREA). The HCPRREA requires all licensed New Jersey health care entities to report licensed or certified health care professionals whose conduct is impaired and/or who exhibit incompetence or professional misconduct to notify the New Jersey Division of Consumer Affairs, Health Care Professional Information Clearing House Coordinator.

The Department of Health regulations under HCPRREA address information that is required to be provided by health care entities to other health care entities in New Jersey as part of the employment process.

- To achieve compliance with the reporting aspects of the act and regulations
