Registration is OPEN!

The January event with BluePrint Healthcare IT and the HITRUST Alliance is filling fast so it's a great time to register.

Join us as NJHA co-hosts a [half-day learning & networking event](#) with [BluePrint Healthcare IT](#) and the [HITRUST Alliance](#) on Friday, January 26 from 10 AM – 2 PM.

The final agenda is shaping up nicely with a new session and will highlight Cyber Resilience and how the HITRUST CSF can fill the gaps to better preparation, prevention, response and recovery. Continental breakfast and a networking lunch will be served.
