-----------------------------	-----------------------------------	-----------------------------	--------------------------------------

Join NJHA and Hospital Careers for an exclusive webinar on attracting quality candidates through a niche based strategy. [HospitalCareers.com](http://HospitalCareers.com) is the healthcare industry's leading career destination site that connects healthcare candidates and hospitals to find their perfect match!

Through its network of twenty-nine state hospital associations and advanced online marketing strategies, Hospital Careers provides healthcare organizations with the most cost-effective recruitment resource to attract the highest quality of candidates. This webinar will detail the powerful advantages of using this recruiting platform.

Hard-to-fill jobs are distributed across hundreds of online sources. This is a small sample.
