

**November 12, 2019**

**NJHA, Conference and Event Center**

760 Alexander Road, Princeton, NJ 08543

**\$295 members | \$345 non-members**

The Wound Certification Prep Course is the most advanced, comprehensive review course taught by a team of nationally recognized, ABWM-certified wound specialists. WCPC is the only recommended review course by the ABWM Foundation for clinicians interested in preparing for the CWCA®, CWS®, or CWSP® board certification exams, becoming re-certified, or gaining a better understanding of wound management.

### Learning Objectives

- Outline the etiology of chronic wounds and extrinsic factors that contribute to and affect wound healing outcomes
- Describe the phases of wound healing and the associated microenvironment, cellular components, and their functions in wound healing
- Identify the anatomy of the skin and other important structures
- Assess research and evidence related to wound management
- Describe specific diagnostic tests, examination tests, lab tests, and measures related to wound assessment and management
- Identify the components of wound assessment and documentation
- Identify methods for recognizing soft tissue and bone infections, bioburden management, and treatment of local and systemic infections
- Discuss nutritional factors and the underlying deficiencies that impact wound healing
- Describe specific treatment interventions for chronic wounds including debridement and topical therapies

### Benefits

- ✓ Covers the essentials to become wound care certified
- ✓ 94% pass rate: WCPC improves your chances of passing the CWCA®, CWS®, or CWSP® board certification exam
- ✓ Certification lasts 10 years
- ✓ **Earn 9 continuing education credits** by participating in the live private workshop. Earn additional credits by completing the 30-day WCPC On-Demand post-event.

### Agenda

7:00 AM: **Registration**

7:30 AM: **Start time**

- Welcome and Introductions
- Anatomy and Physiology of the Skin and Soft Tissues: Wound Healing
- Peripheral Arterial Disease
- Chronic Venous Insufficiency
- Lymphedema
- Assessing the Evidence
- Pressure Injuries/Ulcers
- Burns

- Diabetes and Diabetic Foot Ulcers
  - Atypical Wounds
  - Assessment and Documentation
  - Nutrition
  - Assessment and Management of Bioburden
  - Debridement
  - Topical Management
  - Test-Taking Strategies
  - Practice Exams and Wrap-Up
- 5:30 PM: **End time**

**Lee C. Ruotsi**

MD, ABWMS, CWS-P, UHM  
Medical Director and Wound Care Fellowship Director  
Catholic Health Advanced Wound Healing Program  
Buffalo, New York

**Dot Weir**

RN, CWON, CWS  
Advanced Wound Healing Centers  
Catholic Health System  
Buffalo, New York

**Questions regarding the program:**

**Amanda Virgili**  
609.630.6214

**Questions regarding registration:**

**Taniesha Knight - New Jersey Hospital Association**  
609.275.4180

\*Please bring a laptop, as you will be given a flash drive with the course content and program for note-taking.

Pre-Register Here: [njha.com/Education/Brochure/?id=1983](http://njha.com/Education/Brochure/?id=1983)

**Conference Cancellation Policy:** Any cancellations must be made in writing directly to the HRET. If received by October 29, 2019, HRET will apply a \$75 administrative fee and refund the remainder of the registration fee. After October 29, 2019, no refund will be given. Replacements are always welcome.

# Further Your Education and Join Us this Fall at SAWC!

October 12-14, 2019 | Las Vegas, NV

Join us for the Symposium on Advanced Wound Care Fall (SAWC Fall) meeting. This 3-day event serves as a forum to connect the entire wound care team—physicians, nurses, physical therapists, researchers, scientists, podiatrists, and dietitians—with the foremost experts in wound care to improve patient outcomes through education. No other wound care event offers the level of education, advanced state-of-the-art clinical reviews, and emerging research findings.

What sets SAWC Fall in Las Vegas apart is the bonus 1-day vascular track focused on the prevention, early detection, treatment, and rehabilitation of peripheral arterial disease, developed in partnership with the AMPutation Prevention Symposium (AMP). If you want to stay in the loop and be part of this quickly developing wound care field, don't let anything hold you back from educating yourself on the most forward-thinking wound care techniques to improve wound care outcomes.

**INTENDED LEARNERS** Physicians, podiatrists, wound care surgeons, nurse practitioners, physician assistants, masters-prepared nurses, registered nurses, associate degree nurses, dietitians, and sales and marketing specialists within wound care.

**ACCREDITATION** In support of improving patient care, North American Center for Continuing Medical Education (NACCME) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

**PHYSICIANS** NACCME designates this live activity for a maximum of 9.0 AMA PRA Category 1 Credits™.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**PHYSICIAN ASSISTANTS** NACCME has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with the AAPA CME Criteria. This activity is designated for 9 AAPA Category 1 credit(s). PAs should only claim credit commensurate with the extent of their participation.

**NURSES** This continuing nursing education activity awards 9.0 contact hours.

Provider approved by the California Board of Registered Nursing, Provider Number 13255 for 9.0 contact hours.

**PODIATRISTS** North American Center for Continuing Medical Education, LLC (NACCME) is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. NACCME

has approved this activity for a maximum of 9 continuing education contact hours.

**DIETITIANS** North American Center for Continuing Medical Education, LLC (NACCME) is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic Registration (CDR). CDR Credential Practitioners will receive 9 continuing professional education units for completion of this activity.

Provider #HM001, Level 3 Synthesis.

**HARDWARE/SOFTWARE REQUIREMENTS** The evaluation is accessible after the activity via a PC (Windows 2000/XP/Vista/7) or Mac (Mac OS 10.x or later) computer with current versions of the following browsers: Internet Explorer, Mozilla Firefox, Google Chrome, or Safari. A PDF reader is required for print publications. Please direct technical questions to [webmaster@naccme.com](mailto:webmaster@naccme.com).

**ADASTATEMENT** North American Center for Continuing Medical Education complies with the legal requirements of the Americans with Disabilities Act (ADA) and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please call 609.371.1137.

**PRIVACY POLICY** NACCME protects the privacy of personal and other information regarding participants, educational partners, and joint sponsors. NACCME and our joint sponsors will not release personally identifiable information to a third party without the individual's consent, except such information as is required for reporting purposes to the appropriate accrediting agency. NACCME maintains physical, electronic, and procedural safeguards that comply with federal regulations to guard your nonpublic personal information.
