

Provider Update on Managed Medicaid: Acute Care, Long Term Services and Support (MLTSS) & Behavioral Health

WEBINAR

OCT. 2, 2020

10:00 A.M. – 12:30 P.M.

EDU 2073W – Fee: \$79 per person

OVERVIEW:

NJHA and LeadingAge NJ & DE co-host this annual seminar, in the form of a webinar, to inform providers of the changing Medicaid Managed Care environment. Providers will learn about recent state policy changes and operational updates. In addition, each of the Medicaid Managed Care Organizations will offer presentations on their policies and operations for acute care, long term care, home and community-based services under MLTSS and behavioral health services. Topics will include new policies, case management processed, new technology/portals, market coverage and staffing changes, and any changes resulting from state contract changes.

OBJECTIVES:

- To learn about managed care process changes, including case management, payment policies and market dynamics
- To facilitate dialogue between the full continuum of providers, the managed care organizations and the state
- To learn about the Department of Human Services' changes to the state contract with the MCOs

TARGET AUDIENCE:

Managed care executives, long term care and assisted living administrators, behavioral health providers, home and community-based providers, finance and billing directors, care managers and discharge planners.
