

2020 New Jersey Antimicrobial Stewardship Recognition Program

(EDU 2078W)

New Jersey Hospital Association, Princeton

DEC. 4, 2020
WEBINAR
10AM – 12 PM

OVERVIEW:

The New Jersey Department of Health and NJHA's Health Research and Educational trust of New Jersey invite you to join for the 2020 New Jersey Antimicrobial Stewardship Recognition Program (ASRP). This webinar will recognize and award healthcare facilities that have developed, implemented and maintained high standards for antimicrobial stewardship program efforts, while also providing education for viewing stakeholders to learn from successes and challenges in adopting a successful antimicrobial stewardship program.

OBJECTIVES:

- Award healthcare facilities who have established or maintained high caliber antimicrobial stewardship programs between 2019 and 2020.
- Provide a forum and educational collaborative among healthcare facilities to illustrate successes and challenges of developing and sustaining antimicrobial stewardship program efforts, especially during pandemic situations.

LEARNER OUTCOME:

Learners must articulate three successes and challenges that presenters have encountered during the past year as it relates to antimicrobial stewardship program advancement at healthcare facilities so as to integrate knowledge from those who have already met and thrived in an adverse environment.

TARGET AUDIENCE:

Healthcare facilities (including acute care, post-acute care, long-term care, and outpatient care) stakeholders, which include physicians, physician assistants, and nurse practitioners, infection preventionist, pharmacists, and prescribers including.
