

# 2022

# CPT UPDATE for HIM Professionals

December 16, 2021 | 1:00 – 3:00 PM EST

## Program Objectives

The updates to the CPT Manual for 2022 are effective January 1, 2022. Changes will include revised and deleted codes, and new codes and modifiers.

This program will prepare health information coders to apply the new and revised codes accurately.

Webinar participants will gain an understanding of how to:

- Implement changes in your facility to accurately report the 2022 CPT codes
- Reduce denials by reporting the 2022 codes accurately and timely by the Jan. 1st effective date

## Who Should Attend

Health Information Management directors and managers, coding staff, physician office managers and coders, chargemaster coordinators, billing and reimbursement staff

## Agenda

Our 2022 CPT Update for HIM Professionals will cover all of the 2022 CPT updates followed by a question and answer session.
