

# Ready. Set. Code!

# ICD-10-CM by Specialty:

## 2015 Webinar Workshop Series

### ICD-10 Diagnosis Coding Education and Instruction for Physician Office Practices

- ✓ *The compliance date for implementation of ICD-10 is October 1, 2015. Will you be ready?*
- ✓ *These coding workshops will help you master ICD-10-CM and the documentation requirements associated with coding for your specialty-specific practice*
- ✓ *Participants will gain an understanding of the code format and structure of ICD-10 and complete the workshop with the ability to successfully assign diagnosis codes using ICD-10*
- ✓ *ICD-10 Coding for Your Specialty – Choose the Workshop(s) that best describes your practice*
- ✓ *Each webinar workshop is being offered on four separate dates for your convenience*
- ✓ *All workshops led by AHIMA Certified ICD-10 Trainers*
- ✓ *Approved for 2 AAPC CEU's*
