

# PARTNERSHIP FOR PATIENTS-NJ

## 5 Years of Improving Patient Safety {2012-2016}

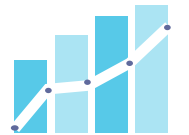

### { Our Partners }

Hospitals, health systems, physicians, nurses, nursing homes, post-acute providers, patients, families and the New Jersey Hospital Association

### { Our Strategies }

- **TRAINING** with expert faculty
- **TOOLS** to apply in every facility
- **DATA** to measure what works and what needs greater focus

### { OUR RESULTS }

**77,342** cases of patient harm averted

**\$641 million** in healthcare cost savings
